IV-D MODIFICATION HEARING VACATED

LET THE RECORD REFLECT that the issue of child support arrearages was referred to this division pursuant to Judge Hicks' minute entry of June 28, 2012, based upon Petitioner/ Father's pro per *Petition to Establish Child Custody, Parenting Time and Child Support* filed on September 7, 2011. Thereafter, this matter was set for Hearing Re: Modification of Child Support on November 13, 2012 in this division.

The Court takes judicial notice that there is no indication in the court record that a petition to enforce child support has been filed by either party. The parties are advised that child support orders cannot be enforced without the filing of an underlying petition.

Based upon Judge Hicks' minute entry dated June 28, 2012, the parties indicated that a Title IV-D case exists in another county.

IT IS ORDERED directing the Attorney General to provide an updated arrears calculation/payment history and to provide copies of same to each of the parties.
